Middle East Personalities

The speakers at Datamatix events are global experts and personalities at the cutting edge in their own fields. They are uniquely positioned to provide insight into world affairs and how these will impact business and economy in the Middle East. The keynote speeches and sessions at the conferences provide practical suggestions into several technological, economic, management and leadership issues.

One of the most significant reasons to attend our conferences is the presence of top-class regional presenters, leaders and experts who provide delegates with ideas from many of today's leading organizations. The speakers, who will share and listen to ideas, are thought-leaders with years of experience in leading organizations at the highest level.

The diverse background of these speakers will expose participants to many insightful viewpoints and valuable leadership lessons from around the region, while engaging them in stimulating discussions and debates with fellow speakers and participants, to broaden their horizons on the big changes happening across the world.

On the occasion of International Women's Day – a global day that celebrates women's social, economic and political achievements of past, present and looks into the future with a general celebration of appreciation and compassion towards women leaders – Datamatix presents its compliments and wishes to all professionals, women leaders and women entrepreneurs.

Datamatix is pleased to present this Conference that witnesses the coming together of women leaders and professionals regionally and globally. This event, built on the success of previous conferences, celebrates and explores the ways in which women leaders contribute to the world development. It aims at inspiring, empowering, and connecting women leaders.

It's been another big year for us and we're extremely thankful to everyone who contributed positively in making it a huge success. Based on our vision 2020 that aims to support and strengthen women empowerment initiatives, Woibex is a platform for cross-section of women leaders from various fields of work who come together to empower each other to think outside the box while bringing uncommon resources to the table. Our mission is to create a place for women leaders to explore their passion, define their purpose and embrace their power.

إحتفالاً باليوم العالمي للمرأة، الذي يصادف سنوياً يوم الثامن من مارس ، حيث تخطى كل الحواجز اللغوية والحدود الجغرافية وأصبح مبعث إعتراز وفخر للمرأة القيادية في عصر الإقتصاد المعرفي والإبفتاح التكنولوجي تهديكم داتاماتكس أطيب تحياتها وتتمنى المزيد من التوفيق للقيادات والمثقفات.

بهذه المناسبة، يشرفنا تقديم المؤتمر الدولي ١٨ للقيادات في نسخته الجديدة والذي يعقد في الفترة من ٨-٩ مارس ٢٠١٥ بدبي، دولة الامارات العربية المتحدة بمشاركة نخبة من أبرز القيادات والشخصيات النسائية الإقليمية والعالمية وذلك للعمل على زيادة الوعي بأهمية الأدوار القيادية وأثرها الإيجابي على اقتصاد المعرفة في تعزيز القدرات التنافسية وتطوير الفكر الإستراتيجي لمفهوم القيادة لدى المرأة ودعم دورها كأم، كمرربة، كقيادية ومساهمة في تطوير الإقتصاد الوطني بتجربة عصرية وحديثة تصنع لنفسها مكانة مرموقة محلياً إقليمياً وعالمياً.

مرة أخرى نتوجه بالشكر الجزيل إلى كل من ساهم بشكل إيجابي في إنجاح واستمرارية المؤتمر الدولي للقيادات في السنوات الماضية، والتي عمل من خلالها هذا الحدث على الإرتقاء بدور المرأة وتمكينها في المجتمع وتقريب وجهات النظر بين القيادات من كافة أنحاء العالم، خصوصاً في هذه المرحلة الذهبية التي تدعم عصر جديد للمرأة للمشاركة بفاعلية في المؤتمرات الخارجية ومسيرة التنمية وصناعة غد مشرق بعقلها وفكرها وعطاءاتها مع متطلبات العولمة المتسارعة وإبراز دورها إقليمياً وعالمياً.

There is no area where women Leaders have not shown initiative and leadership, be it business, finance, entrepreneurship, management or technology.

Datamatix via the annual event Woibex Conference, recognizes the achievements of path-breaking women regionally and globally and encourages other women leaders and young entrepreneurs to gain knowledge from their experiences. Datamatix recognizes that women are important contributors to the global economy and societies. There is no area in which women have not shown initiative and leadership, be it business, finance, entrepreneurship, management, or technology. WOIBEX (Global Women Leaders Conference) was founded by Datamatix 15 years ago to address the issues that are relevant to today's women leaders and recognize their achievements.

Held annually on International Women's Day, Woibex is designed for the regional and global successful women professionals and leaders and focuses on enabling them to realize their full potential in both their personal and professional spheres by creating an environment conducive to the exchange of views, discussion, healthy debate, and face-to-face networking amongst women leaders regionally and globally. It aims to present the latest technological trends, management practices, leadership advice, and information that empowers women leaders to make significant contributions to the regional and global economy and effectively run their businesses and organizations.

The Middle East Women Leaders Awards held in conjunction with the International Women's Day recognizes and encourages the girl and determination of those who have conquered the odds and reached challenging positions in diverse areas like Business, Government, Industry, Education and other related fields.

The Woman Personality of the Year, 2012, was awarded to H.H. Princess Ameerah Al Taweel, Wife of His Royal Highness Prince Al Waleed Bin Talal Al Saud, and Vice President of Al Waleed Bin Talal Foundation for her contribution towards a wide range of humanitarian interests regionally and globally through the Al Waleed Bin Talal Foundation. Her work is dedicated to supporting programs and projects aimed at poverty alleviation, disaster relief, interfaith dialogue, and women empowerment. The award was presented by the guest of honor H.E. Reem Al-Hashimi, UAE Minister of State.
